Hampshire United Soccer Club

Player Code of Conduct Agreement

I will support the NH Soccer Associations Zero Tolerance Policy. Failure to do so undermines the referee's authority and has the potential of creating a hostile environment. No yelling at the referee, EVER, and no criticism, sarcasm, harassment, intimidation of any kind during or after a game.

I have accepted a position on a team and as such have made a commitment to attend all training sessions, league games, tournaments and team obligations. I will be punctual for all training sessions and games.

U8 thru U11 Players - All players shall play approximately equally. Coach will endeavor to play everyone in every game.

U12 thru U14 Players - I understand that playing time may vary by game but the coach will endeavor to play me for a meaningful part over the course of a season. I understand that playing time during the end of the season to advance in standings to qualify for playoffs, State Cup and in tournament games may be adjusted for the benefit of the team to advance.

U15 thru U20 Players - I understand playing time is not equal nor guaranteed and must be earned.

If there are family or school obligations that interfere with team commitments, then I will notify the coach and/or team manager with as much notification as possible particularly for league games and tournaments.

As a player, I will:

Respect my coach, teammates, opponents and referees

Learn and obey the rules of the game

Arrive prepared for all games and training sessions, i.e. proper mental attitude and equipment

Give my maximum effort at practice and games

Be appreciative of my parent's support

Have a positive attitude, both on and off the field

Win with humility and lose with dignity

Accept any decision given by the referee

As a player, I will never:

Allow my enthusiasm and commitment for soccer to override my responsibilities to my education

Use profane or vulgar language

Leave the field or a session without the permission of the coach

Forget that I represent Hampshire United Soccer Club

I have read and agree to terms of the player code of conduct. I understand that behavior detrimental to the club and/or team are grounds for dismissal.
